

Small Business Waste Disposal Program (for Conditionally Exempt Small Quantity Generators)

Conditions for Participation

Thank you for your interest in participating in the Indianapolis ToxDrop Small Business Waste Disposal Program for Conditionally Exempt Small Quantity Generators (CESQG).

This program is provided for small businesses located in Marion County and will only accept small quantities of waste material generated at a site within Marion County.

All waste disposal requests must be reviewed by the Small Business Disposal Committee prior to approval.

The following conditions must be met in order for a waste disposal appointment to be approved/considered:

1. Applicant must complete and return the attached verification form,
2. Businesses must be located and generate the waste material in Marion County,
3. Applicant must provide MSDS for all wastes listed on the form AT TIME OF SUBMITTAL,
(MSDS not required for electronic devices)
4. Participants are limited to one (1) visit per quarter and may dispose of no more than 50 gallons of liquid waste and/or 100 pounds of dry material per calendar quarter, or if disposing of electronics no more than ten (10) computer systems per calendar quarter.
5. 15 working days are required for the review committee to accept or deny the disposal request, and,
6. Participants will be notified of the committee's decision and, if accepted, an appointment date will be scheduled.
